

Share-Me™ Presenter Cable Options & Overview

Forget lost HDMI adapters, late meetings and missed presentations. TechLogix Share-Me™ Presentation Cables ensure you always have the right connector for your laptop, tablet or other portable presentation device. Each TL-SMPC cable features a 6' HDMI cable with built-in adapters, including solutions for USB-C, DisplayPort, mini-DisplayPort, micro-HDMI, mini-HDMI, DVI and Lightning. Share-Me™ Presentation Cables are a must have for every meeting room, conference room and lecture hall, and they are an essential tool for anyone who does traveling presentations.
